

AGEO INTERNATIONAL EDUCATION CENTER

Your pathway to success starts from here

AIEC

Ageo International Education Center

AGEO INTERNATIONAL EDUCATION CENTER

Ageo International Education Center (AIEC) was established in Ageo city, Saitama prefecture in 2016, and started Japanese language education for international students from October 2017. We are supporting higher education institution admission and appropriate the employment support for international students. Ageo city offers a very good environment for studying and living life for overseas students. The enrollment capacity of AIEC is 100 students. Please refer to our website to check out admission to AIEC.

上尾国際教育センター

Features

- We provide an appropriate curriculum that aims to reach the B2 level of Japanese language reference, and we also support each student to achieve their objective for higher education.
- AIEC teaching staff is the professional teachers who has long experience in the Japanese language education field.
- Staff who have experience studying abroad provides appropriate guidance for studying and life problems, and they are take care of students until graduation.
- We support the employment in Specified Skilled Worker (SSW), and the lessons in afterschool for the evaluation test.
- AIEC students are always feeling a warm atmosphere peculiar to a small school.

Your Mission is Our Mission

- Accident insurance cost will be charged.
- Facility Management Cost includes not only facility maintenance but also textbooks and health check fee.
- Fees for extra-curricular activities will be charged at the time of the event.

EXTRACURRICULAR ACTIVITIES

We organize activities for students to experience traditional Japanese culture in order to let students understand Japanese culture well, we also hope each student to understand each other, and respect the cultures of each country.

We advise our students not only their Japanese studies but also the adaptation way to Japanese customs and living environment.

Sightseeing Activities :

We are planning a one-day tour to go to famous landscapes and amusement parks in Japan, Disney resort, hot springs area such as Nikko or Hakone.

Japanese Traditional Culture :

Flower arrangement, Tea ceremony, Origami, Kimono and Calligraphy. Flower arrangement (Ikebana) is not simply an art that pursues the beauty of flowers; it is a profound cultural asset that reflects Japan's aesthetic sense and spirituality. Through Ikebana, the aim is to become aware of one's relationship with nature and achieve inner peace.

Classroom Collaboration Program:

Every December, students work together to practice and perform Japanese plays and choruses. AIEC classmates may not have the opportunity to meet again after graduation. Please respect each other, work toward a common objective, and accomplish something worthwhile.

TRANSPORTATION and LIVING ENVIRONMENT

Ageo Station :

40 minutes from Tokyo Station, and 35-40 minutes from Ueno, Ikebukuro, and Shinjuku.

The living environment in Ageo is also extremely comfortable, rent fees are about 10% cheaper compared with Tokyo area, it's a wonderful city for studying and living !

Regarding the accommodations, we offer school dormitories and rent apartments.

Structure of school dormitory is 1K (living room and kitchen) ,2DK (2 living rooms and 1 kitchen) or 3DK (3 living room and 1 kitchen).

1 to 2 people will stay in 1K, 2 to 3 people will stay in 2DK and 5 to 6 people will stay in 3DK room.

Bunk bed, refrigerators, washing machines, gas range, rice cookers, lighting fixtures, desk, chair, curtains, basic facilities except for the bedding set are already available.

Students who stay in the dormitory must fully comply with the rules of the dormitory.

Contract

The first contract period is 1 year, after that the contract will be automatically renewed every 6 months. A resident who wishes to leave a room needs to notify to school at least one month before from the month of contract period. In case of cancelling during the contract period, paid dormitory fees are not refunded.

Apartment

If students want to stay in apartment, we will introduce the real estate company.

Students need to pay for their own key money, security deposit, commission fee, fire insurance fee and service fees.

There is no equipment in the room of apartment, so students need to prepare by themselves.

The real estate company also offers rental services for household appliances.
